DIRECTOR:

David Charbonier and Justin Powell (The Boy Behind the Door, The Djinn)

WRITER:

Jason and Peter Filardi (Showrunners of Stephen King series "Chapelwaite")

GENRE:

Horror

STATUS:

In Production

SYNOPSIS:

When a mysterious traveling carnival arrives into town, Gemma and her friends can't wait to visit. There, Gemma sparks a romance with a handsome stranger but is shocked when a ghost from her past seems hell-bent on tearing them apart. Soon, long forgotten secrets will resurface and change the life of Gemma when she confronts the followers and the shadowy man leading them.

PRODUCER(S):

Dominic Rustam (I Feel Pretty, Colossal), Capstone Studios (Fall franchise, Obsession)

INVERTIGO

CAST:

Inde Navarrette (Obsession), Charlie Di Stefano ("Neighbours"), Ceara Coveney ("The Wheel of Time"), Conor Sanchez ("Faithless"), Dylan Ennis, Tom Lewis (Redeeming Love)

DIRECTOR:

Matthias Hoene (Little Bone Lodge)

GENRE:

Thriller

STATUS:

Pre-Production

SYNOPSIS:

When a group of reckless teens convinces a young park worker to sneak them onto a rollercoaster before its debut opening, a system failure traps them hundreds of feet in the air forcing them to fight for survival as buried traumas and hidden tensions erupt into chaos.

PRODUCER(S):

Tea Shop (Fall franchise, Obsession), Capstone Studios (Fall franchise, Obsession)

SLIME

CAST:

Willow Smith (Multi-platinum selling and Grammy nominated artist), Kid Cudi (Hugely Influential Grammy Award winning artist, star of X and Emmy nominated for Entergalactic), Teyana Taylor (Platinum selling artist and breakout star of One Battle After Another), Anna Sawai (Emmy and Golden Globe Winner for "Shogun"), John Cho (Searching, "Tempest"), John Boyega (Golden Globe Winner, The Woman King, Star Wars: The Force Awakens), LaKeith Stanfield (Academy Award Nominee for Judas and the Black Messiah, Sorry to Bother You), Winston Duke (Us, Black Panther and Avengers franchise)

DIRECTOR:

Jeron Braxton

GENRE:

Animation

STATUS:

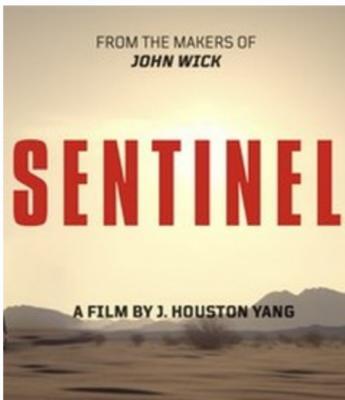

In Production

SYNOPSIS:

Set in a too-near future, Slime follows Muna (Smith), an optimistic but broke young woman who signs up for a paid clinical trial, only to be injected with a mysterious creature's slime that unleashes destructive powers she can't control. On the run, she kidnaps Glenn (Mescudi), the lab worker who injected her, and the two set out on a perilous odyssey through a crumbling dystopian world in search of refuge and a cure. But as the clock runs out, is Muna transforming into humanity's worst nightmare or its last, unlikely savior?

PRODUCER(S):

Hammerstone Studios (Don't Move, Barbarian), Mad Solar (Entergalactic, X trilogy), Aaron Bergman (Sue Bird: In the Clutch, "Daytime Noir")

SENTINEL

DIRECTOR:

J. Houston Yang

GENRE:
