Gentile Tania,

Cannes is close, and we have three titles in motion. Here's a quick update and what we have ready for you on the Croisette.

If you're attending Cannes, we'd be delighted to welcome you and discuss possibilities for Italy:

HEADHUNTERS

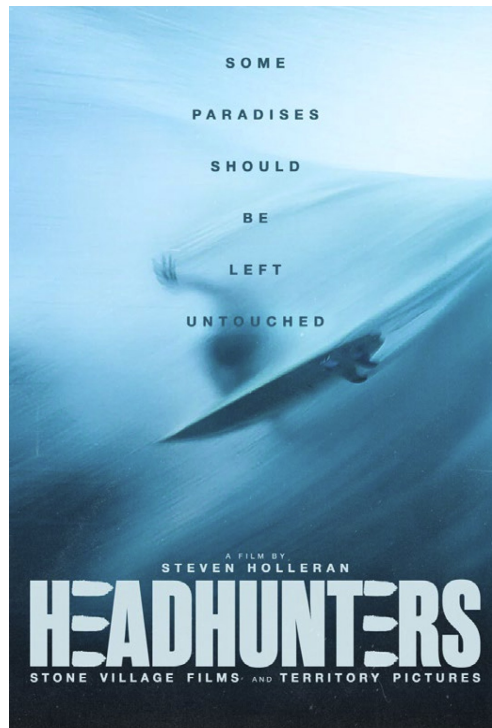

Thriller · Directed by Steven Holleran

- Pre-Production -

When a surf trip into forbidden Indian Ocean waters goes dark and their captain disappears, a group of stranded surfers must fight to survive an isolated island tribe — with no boat, no signal, no way out.

Kevin Costner stars and produces, co-writing the script with director Steven Holleran. The cast includes Daniel Zovatto (*Woman of the Hour, It Follows*), Chloe East (*Heretic, The Fabelmans*), and Sam Corbett (*Vikings: Valhalla*).

PRINCESS

Romantic Comedy · Directed by Lina Roessler

- Post-Production -

She's finally found the man of her dreams — but his bulldog, Princess, has a long and proven track record of ending his relationships.

Lucy Hale and Adam Demos lead, produced by Christopher Tuffin and Renee Tab (*Sound of Freedom*). Presales are closed in CEE, and Latin America. First impressions are available in Cannes — reach out to arrange a session.

HEARTLESS

**Action-Thriller · Directed by
Camille Delamarre**

- Pre-Production -

When her son's transplanted heart is stolen during a hospital blackout, a former MMA fighter has hours to tear through an organ-trafficking ring before it expires.

A **new script** from Kevin Summerfield is now available on request. Jason Isaacs (*The White Lotus S3, The Death of Stalin*) has just attached, joining Jeanne Goursaud (*Barbarians*) and Colin Morgan (*Belfast, The Sandman*). Camille Delamarre (*The Transporter Refueled, Brick Mansions*) directs.
