Hi Davide,

My colleague Steve Korona forwarded me the below query – nice to make your acquaintance.

He also sent me an email from your procurement department, which I responded to earlier – please see attached for reference.

Looking forward to hearing more from Mediaset and its partners in due course. I will be the main point of contact here, as the EMEA Data Sales Manager.

Kind regards,

Joe.

Hello Stephen, my name's Davide Zuccante and in Mediaset I'm working in the IT department and I'm responsible for the editorial system.

I received your contact from FinconsGroup, one of our supplier with whom we are working for some projects.

For a new project we are evaluating some services to automate the collection of “movies’ metadata” and for it of course we are taking into consideration your platform.

In the following days our procurement department will ask to some vendors some questions about the service proposed. Can you help me in identifying who is the correct contact in you organization to be reached for such questions and quotations? Or can I give them your contact?

Thank you
